

VABS

Virginia Association of Blind Students at the 2020 Virtual State Convention

October 25 - November 1

VABS is an organization of blind students that support one another with regular communication about tips, tricks, and strategies to succeed in their academic careers. Join the Virginia Association of Blind Students at the National Federation of the Blind of Virginia 2020 virtual state convention for a week of personal, academic, and professional growth. VABS will be holding a student session during the convention on Thursday, October 29th at 7PM.
